

# OUR PLEDGE

**P**lease take a moment to review our information. You have a decision to make; which path should I take for my Medicare coverage? There are two, Original Medicare or Medicare Advantage. The Right Agent will be your guide based on your needs and financial risks: Premiums, Co-pays, Co-insurance & Deductibles. Be aware that there are agents that are classified as "Captive" agents and are bound by contract to represent one company and only one company for Original Medicare, Part C & Part D. Therefore those agents will always steer you to the only company and plan they are bound by contract to offer.

We believe one shoe doesn't fit everyone. We offer you "Freedom of Choice" by representing more companies and plans than anyone else.

## We make this Pledge

- 1** If you choose Original Medicare as your healthcare coverage we guarantee we will enroll you in the best supplement plan (Plan F) at the lowest cost or premium. In addition to the supplement plan we also provide the absolute best Part D plan specifically design for you by running your medications through Medicare's Prescription Plan Finder. This report, Medicare's recommendation of all the Prescription Drug Plans, insures the greatest savings.
- 2** If you choose Medicare Advantage as your healthcare coverage we guarantee to enroll you in the best advantage plan of "your choice" that meets "your needs".

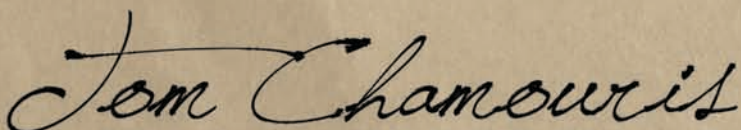

**IT IS NOT TOO LATE TO CHANGE** and it doesn't cost you a dime to review all your options even if you have already chosen a plan.

Our experience and knowledge could save you hundreds and maybe even thousands of dollars over your current choice.

**Savings without compromising your healthcare coverage is our business.**
